TWO BATTLES WITH THE SAVAGES.

Interesting Details.

New York, August 25 .- A dispatch Muscle Shell River, Aug. 19th giving Bloody Knife and a

SQUADRON OF CAVALRY, ahead they halted to await the arrival of a train. Soon after, the Indians appeared on the prairie and made a demonstration towards their camp. A line of skirmishers were thrown out and horses saddled. The Indians were easily driven, but proved to be proved to be

A DECOY of a large party in the neighboring wood waiting in ambush for the cavalry. Finding the ruse failed, the Indians to the number of 300,

BOLDLY RODE OUT and advanced on the ground occupied by the cavalry. Gen. Custar had only one squadron of eighty men, untance of 400 yards. While thus en-

EXTENT OF CUSTAR'S LOSS.

CUSTAR STARTED

at sundown, and on the 9th, after a march of forty miles, he arrived at a lace where the Indians had crossed A Decision Rendered in the Fathe river twenty-four hours before, taking over their families on rafts. The next day be attempted to cross the Yellowstone, but the current was gain the bluffs in our rear. Our up a fire.

within two miles of Big Hern Mountain. Gen. Custar and Adjutant Deham had their horses shot under them. Lieut. Broden was badly shot in the thigh. Private Tuttle, Gen. Custar's orderly, was killed, and 20 eoldiers were slightly wounded. We had 4 horses killed and 3 wounded. The Indian loss is estimated by Gen. Custar at 40 killed and wounded. The Indians were

WELL ARMED with Henry rifles and an abundance of ammunition. Some were dressed in clothes procured at the agencies. These were mainly Nuccapapas, supposed to be under the command of Sitting Bull; and it is also supposed they have received their supplies from Fort Pe k on the Missouri, a famous trading post for Indians and an infamous one for the whites.

The expedition arrived at Fen Pris NEW Pillar on the 15th and reached Muscles Shell on the 19th homeward bound Gen. Stanley expects to reach Fort Rice on the 1st of October. The health of the command is Lieut. Brading is getting on

CUSTAR'S SUTLER.

MEMPHIS. August 25 -Gue Bal the 4th, was from this city. He was formerly steward of the Chickasaw Club. He leaves a wife and child, now absent in Kentucky.

FLOP.

There is nothing like keeping things "level" in this world of whoa! We saw a horse, buggy and harness in charge of an elderly gentleman the other day; at one moment they were all right, the next they had "flopped."

The elderly gent was standing on the sidewalk holding the driving BAGGAGE CHECKED TO ALL IMPORTANT reins, when he suddenly concluded

a lick or two, but that horse showed pedigree, he was eminently related. He had a stain across the loins of the big bone-lick, was own brother to hit-him-a-lick. His sire was of the blood royal of the lickety splits, THE next session will begin SEPand he was dam'd by inquor all round. He could and did square he allows like a prize-fighter, and he "flopped" the buggy up-side down.

It was no trouble to him—"twas and he was dam'd by hiq uor all round. He could and did square h s "flopped" the buggy up-side down.
It was no trouble to him-'twas in one turn and two motions, as you

load at will, or as an eld-fashioned flat-boatman turns a slapjack on a frying pan. Now, here was an effort to redeem another creature from elavery. A moment ago in subjection, now, erect upon his hind legs, defying time, place, circumstances and fate. The elderly gent was saved from subjugation by the interference of bystanders. He did not want to lick any more-not just then, at least. He was pleased from the Yellowstone Expedition at to pacify and soothe his iron-shod despot that flounced about regard-Muscle Shell River, Aug. 19th giving an account of two battles with the Indians, is published this morning. On August 1st the Indians were first discovered, but they made no demonstration against the Expedition until the 4th, when Gen. Custar, who, with the 4th the first hitched to a buggy. And here was a poor newsboy looking for an LEXINGTON MALE INSTITUTE. item. Here was an item and nohad been detailed to advance and body hurt. It might be called a Rev. Rowland Doggett, A. within two miles of Pire Heart Mone. by our human legislation than it actually is. No law but the universal law of compensation can regulate it. "My views of this matter are, that the words 'to regulate,' in connection in which they appear in the charter, not inconsis-tent with any law of this State, have received a construction altogether too broad that they do not justify the passage of the ordinance relied upon by the defendants of such meaning of the words to regu-late as was understood by the City Coun-cil to be the true meaning. I say, then, the General Assembly exceeded their constitutional powers when they made the grant, because no such power exists in the constitution."

25) links, to a post corner to said Tarpi Barnett; thence with the east boundary and Barnett; thence with the east boundary of said survey 2728 seven chains and fitly links to a post; thence west forty nine chains and twenty-five links, to the middle of Tabo creek; thence up said creek, if the middle of Tabo creek; thence up said creek, if the middle thereot, to the beginning, saving and excepting sixteen acres, to be taken off the east end of said tract, by a line running north and south parallel with the east boundary line of said tract.

Also, thirty-five acres off of the north end of the east half of the northwest quarter of section number twenty-eight (28), township number fifty-one (31), of range number twenty-six (26).

Also, fifty acres, being part of the northeast quarter of section number twenty-eight (28), township number fifty-one (51), of range number twenty-six (26), bounded as follows: Beginning at the northeast corner of said quarter section, thence south fifty poles, thence west one hundred and sixty poles, to the beginning, saving and excepting ten acres taken thus conferred.

I ofer my Favorite Prescription to the Ladies of America with the sincerity of an honest heart, and for their best welfare. Those who desire farther information on these subjects can obtain it in my Theartist on Chronic Diseases of the Generative and Univary Omans, sent security of the postage stamps. It treats minutely on those diseases peculiar to Femiles, and gives much valuable advice in regard to their management.
